

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. If you really care about conservative values you would not do this. You are not a credit to real conservative/constitutional beliefs.

If you choose to show this you should also show a pro Kerry or anti Bush documentary such as Fahrenheit 911, Outfoxed or Bush's Brain immediately before or after. Otherwise you are cheating the American people. Thank you.
